**Q1. I already selected either a 21-meal, 14-meal, or 10-meal plan....how does that now change?**

If you already selected any of our former plan offerings for next year, you will automatically receive the Silver Plan with anytime dining and \$50 in Berea Bucks as the default, basic campus meal plan. If you want to upgrade on your own for additional Berea Bucks and Guest Passes, you may do so as an option.

**Q2. What are Guest Meal Passes?**

Guest meal passes allow you to bring a visiting family member or friend that has come to campus the opportunity to eat at the Mountaineer Dining Hall with you.

**Q3. Where can I use my Berea Bucks at?**

Berea Bucks can be used at the new Wholly Habaneros Café that is replacing the Crossroads Café. If you are familiar with franchises like Qdoba, Chipotle, or Moe’s - Wholly Habaneros will be a very similar eating experience.

**Q4. What if I just want to come in for a snack in the dining hall?**

With our new “Anytime Dining”, you can come and go as many times as you would like throughout the day from 7am to midnight. Think “unlimited swipes”!
